

# Purchasing Solutions Alliance

*a purchasing cooperative for public agencies*

Documation, the largest independent business technology integrator in Texas and the Southwest is now an approved vendor for Purchasing Solutions Alliance. Documation's unique Business Technology Assessment is tailored to your specific workflow needs. The team of professionals from Documation will thoroughly assess the current state of your organization's workflow and document management systems and then provide recommendations for hardware and software to reduce costs and maximize workflow efficiencies. By utilizing the most current technology in a workplace, the organization is able to maximize productivity and provide better and more efficient services.

## It's easy to get started

- ❖ Log onto the PSA website: [www.psabuy.org](http://www.psabuy.org).
- ❖ Go to "How to Become a Member" and follow the easy instructions to download the interlocal agreement.
- ❖ Once the interlocal agreement is signed by your chief elected official or designee, return the agreements to PSA.
- ❖ PSA will execute and return an original to you.

You are then ready to take advantage of PSA's Cooperative Buying Power.

## Documation is ready to assist with your technology needs

- ❖ Contact your local Account Executive by calling 1-888-201-8431.  
Let the operator know what city you are calling from and they will connect you with our nearest office.
- ❖ Documation offers a full array of Business Technology Solutions.
- ❖ Log onto our website for a review of our product and service offerings.
